Dear Parents

The costs of your 2024 learner packs are listed in the table below. Each learner pack will contain any number of the following items: **textbooks, exercise books, art supplies, workbooks, the annual cost for Nitpickers, annual bus levy, various consumables, baking costs (pre-primary only), textbook and library levy.** Costs vary according to the number and type of items included for each grade. In some cases, the pupils are issued with books that they will use for several years.

Please note that the learner pack is separate from the following lists containing items that you will need to purchase for your children for the start of the school year:

- **The Primary School stationery Lists (for Grades 1 to 6), which include pens, pencils, rulers, glue, etc.**
- **The High School Book List, which contains a list of workbooks, set-works and exercise books.**

The costs of the 2024 learner packs for each grade are shown in the tables below. **Please pay by 15 December 2023**, to ensure that your child receives their textbooks / exercise books in the first week of the new school year.

High School (Grade 7 to 12)

High School pupils will be provided with a list of workbooks, set works and exercise books that they must purchase. The required books are listed in the “Book List 2024 Radford High” document which has been shared with parents via email and can also be found on the D6 under “resources”.

Please note:

- **Grade 7 pupils taking Afrikaans FAL** are given a workbook as part of their learner pack. This book is only available from the publisher, so we have ordered this for the pupils and have added it to the Grade 7 Afrikaans Learner Pack, resulting in a slightly higher fee than the rest of Junior High.

- **Senior High School (Grade 10, 11, 12) pupils taking Visual Arts** have a slightly higher learner pack fee to cover the cost of printing of their reference pictures.
- **Grade 12 pupils** need three books for English that are only available from the English Experience publisher. We have ordered these for the pupils and added them to the Grade 12 Learner Packs. The cost of these books is R1145, which results in a more expensive Learner Pack. Should you require more information about these books, please contact the Administration department.

High school pupils will be issued with some textbooks by the school library at the start of the school year once the learner pack fee has been paid; these books will remain the property of the school and must be returned at the end of the school year. A textbook levy is included in the high school learner pack to cover reasonable wear and tear. **Should a textbook be lost or irreparably damaged due to negligence or abuse, it will be charged for in full and will not be covered by the textbook levy.**

If you have any queries about the Learner Packs, or would like clarity on any of the information in this letter, please do not hesitate to contact our Admin department on info@radfordhouse.co.za.

Kind regards
Radford House Administration
