October 2024

Dear Radford House High School Parents,

This letter contains a list of books that Radford High School learners will need for the 2025 school year. The books are listed by grade and subject. Please ensure that your child has all the required books for the start of the school year. If you have any queries about the books listed, please contact the teachers. *Please note that suppliers sometimes run out of books in the school rush in early January; we recommend buying the books before then to ensure your child is not missing a book when the class starts using it.*

Many of the textbooks are available at PNA, mainstream bookstores and Takealot. The Radford House book list has also been submitted to Ferndale Textbooks and Book Bound to be loaded onto their website. Their IT team is working on loading the books, and once they have been loaded, you will be able to simply select the books you want to order and shop like you would on any other online platform.

Please take note of ISBNs and titles to ensure you purchase the correct books.
